

Yin-To CHUI (Jeremy)

Ph.D. Candidate in Linguistics · Hong Kong PhD Fellow (HKPFS)

School of Humanities and Social Science, HKUST • Email: ytchuiac@connect.ust.hk •

Updated: September 2026

EDUCATION

2023 – Present	The Hong Kong University of Science and Technology <i>Ph.D. in Humanities (Linguistics Concentration)</i> GPA: 4.075 / 4.30
2021 – 2023	The Hong Kong University of Science and Technology <i>M.Phil. in Humanities (Linguistics Concentration)</i> GPA: 4.10 / 4.30 Dissertation: <i>Distributional learning and overnight consolidation of non-native tone contrasts by tonal speakers – the effect and the role of individual differences</i> Supervisor: Prof. Quentin Zhen QIN
2019 – 2021	The Hong Kong Polytechnic University <i>M.A. in Teaching Chinese as a Foreign Language (with Distinction)</i> GPA: 3.96 / 4.30 (Cohort rank: 1st) Dissertation: <i>Effect of semantically-related guesses on the errorful learning of lexical items</i> Supervisor: Prof. Stephen POLITZER-AHLES
2012 – 2015	The Chinese University of Hong Kong <i>B.A. in English</i>
Summer 2013	Harvard Summer School Coursework: Introduction to Quantitative Methods (Grade: A); Introduction to Proof (Grade: A-)

RESEARCH & VISITING APPOINTMENTS

Accepted (TBD)	Western Sydney University — MARCS Institute for Brain, Behavior & Development <i>International Visiting Scholar</i>
01/2021 – 07/2021	The Hong Kong Polytechnic University — Research Center for Language, Cognition, and Neuroscience <i>Research Assistant (PI: Prof. William S.-Y. Wang)</i> Project: <i>Neurocognitive bases of immediate learning success and lexical consolidation of second language words in older adults: a multi-modal (MRI/EEG) study on medial temporal lobe functions</i>

PUBLICATIONS

* Indicates corresponding author.

REFEREED JOURNAL ARTICLES

Chui, Y.-T., & Qin, Q. Z. (under review). Learning non-native tones under ambiguity: The role of L1 experience and cognitive aptitudes. *Bilingualism: Language and Cognition*.

Nam, Y. S., Qin, Q. Z.*; & **Chui, Y.-T.*** (under review). Fine-grained native speech perception predicts non-native cross-situational word learning. *Applied Psycholinguistics*.

Chui, Y.-T., Lai, S., & Qin, Q. Z. (2025). Aging and distributional tone learning: The role of pitch memory in older adults' discrimination of mandarin lexical tones. *Language and Cognition*, 17, e80. doi:10.1017/langcog.2025.10035

Chui, Y.-T., & Qin, Q. Z. (2024a). Individual differences in the distributional learning and overnight consolidation of the Mandarin level-falling tone contrast. *The Journal of the Acoustical Society of America*, 156(6), 4256–4268. doi:10.1121/10.0034717

Chui, Y.-T., & Qin, Z. (2024b). Distributional Learning and Overnight Consolidation of Nonnative Tonal Contrasts by Tonal Language Speakers. *Journal of Speech, Language, and Hearing Research*, 67(7), 2038–2052. doi:10.1044/2024_JSLHR-23-00711

Fong, M. C.-M., Ma, M. K.-H., **Chui, J. Y. T.**, Law, T. S. T., Hui, N.-Y., Au, A., & Wang, W. S. (2022). Foreign Language Learning in Older Adults: Anatomical and Cognitive Markers of Vocabulary Learning Success. *Frontiers in Human Neuroscience*, 16. doi:10.3389/fnhum.2022.787413

REFEREED CONFERENCE PROCEEDINGS

Chui, Y., & Qin, Z. (2026). The role of L1 tonal experience in cross-situational learning of non-native tone contrasts. In *Proceedings of the 13th International Conference on Speech Prosody (Speech Prosody 2026)*, Philadelphia, United States.

Yu, K., & **Chui, Y.** (2024). How does adult learners' L1 interact with word frequency in the error rates and patterns of L2 classifier use: a cross-linguistic comparison. In *Proceedings of the 15th Asian Conference on Education (ACE 2023)*, Tokyo, Japan.

Chui, Y., & Qin, Z. (2023). Distributional learning and overnight consolidation of a difficult non-native tone contrast. In *Proceedings of the 20th International Congress of Phonetic Sciences (ICPhS 2023)*, Prague, Czech Republic.

RESEARCH GRANTS & FUNDING

EXTERNAL COMPETITIVE GRANTS & FELLOWSHIPS

2026 **Language Learning Dissertation Grant** — “The neurophysiological time course of statistical word learning under L1 interference” (USD 2,000)

2023 – 2026 **Hong Kong PhD Fellowship Scheme (HKPFS)**, Research Grants Council (RGC), University Grants Committee

- HKPFS Annual Research Support 2025–2026: HKD 46,106
- HKPFS Annual Research Support 2024–2025: HKD 88,976.90
- HKPFS Annual Research Support 2023–2024: HKD 78,148.71

INSTITUTIONAL GRANTS (HKUST)

2026 **Research Fund for SHSS PhD Students** (HKD 19,800)

2025 **Global Research Fund** (HKD 29,333.33)

2025 – 2026 **Postgraduate Research Grant** — “Cross-situational learning of non-native tones by non-tonal language speakers: effect of cognitive aging and individual differences” (HKD 9,000)

2024 – 2025	Postgraduate Research Grant — “On the influence of native language perception on cross-situational statistical learning of non-native words” (HKD 8,000)
2022 – 2023	Postgraduate Research Grant — for conference travel to ICPHS 2023, Prague, Czech Republic (HKD 9,000)
2021 – 2022	Postgraduate Research Grant — “On perception of non-native lexical tones: how much do individual differences and prior experience play a role in learning performance” (HKD 9,000)

CONFERENCE TRAVEL GRANTS & SUBSIDIES

2026	HKUST Research Travel Grant (HISPhonCog 2026, Seoul, Korea) — HKD 4,616
2024	HKUST Research Travel Grant (186th Meeting of the ASA, Ottawa, Canada) — HKD 10,500
2024	Acoustical Society of America (ASA) Student Transportation Subsidy — USD 200
2023	HKUST Research Travel Grant (ICPhS 2023, Prague, Czech Republic) — HKD 10,500

HONORS & AWARDS

2025 – 2026	Li Po Chun Charitable Trust Fund Scholarship (HKUST)
2024 – 2025	Li Po Chun Charitable Trust Fund Scholarship (HKUST)
2024 – 2025	Redbird Academic Excellence Award (HKUST)
2023 – 2024	Redbird Recruitment Award (HKUST)
2022 – 2023	Li Po Chun Charitable Trust Fund Scholarship (HKUST)
2022 – 2023	Dr. Charles Chan Postgraduate Scholarship (HKUST)
2023	Student Representative for RGC Delegate Visit (HKUST)
2022	Selected Proposal , Student-Faculty Virtual Public Lecture and Workshop (Spring 2023, HKUST)
2021	Valedictorian Speaker (Graduate Representative) , 27th Congregation, Faculty of Humanities (PolyU) CBS Distinguished Postgraduate Scholarship 2020/21 (PolyU)
2010	Bronze Award, Hang Lung Mathematics Awards Cheung, C.Y., & Chui, Y.T. (2010). Orchard Visibility Problem. <i>Hang Lung Mathematics Awards</i> , 4, 51-108.
2009	Bronze Award , Hong Kong & Macao Mathematical Olympiad Open Contest

PRESENTATIONS

INVITED TALKS & WORKSHOPS

- Chui, Y.** (2025). *My PhD journey: From local classrooms to global conversations*. MPhil and PhD Information Sharing Session, The Hong Kong University of Science and Technology. [One of three students nominated university-wide]
- Qin, Z., & **Chui, Y.** (2025). *Preparing research papers for publication: The submission process*. 2025 Spring HUMA Workshop, The Hong Kong University of Science and Technology.

CONFERENCE ORAL PRESENTATIONS

Chui, Y., & Qin, Z. (2025). Native phonological experience modulates cross-situational learning of non-native tones. *Joint Postgraduate Student Symposium on Language, Culture and Cognition (JPSS2025)*, Hong Kong.

Chui, Y., & Qin, Z. (2022). Do Cantonese speakers exhibit distributional learning effects on the acquisition and consolidation of Mandarin tones? *The 5th Buckeye East Asian Linguistics Forum*, The Ohio State University, Columbus, OH.

Chui, Y. (2019). Omittable Cantonese Miratives and Their Differentiation. *The 2019 Annual Research Forum of the Linguistic Society of Hong Kong*, Hong Kong.

CONFERENCE POSTER PRESENTATIONS

Chui, Y., & Qin, Q. Z. (2026). The combined effect of aging and L1 interference: Cross-situational learning of nonnative tones in older adults. *Hanyang International Symposium on Phonetics and Cognitive Sciences of Language (HISPhonCog 2026)*, Seoul, South Korea.

Nam, Y. S., Qin, Q. Z., & **Chui, Y.** (2026). Perceptual consistency of native speech predicts non-native cross-situational word learning. *Hanyang International Symposium on Phonetics and Cognitive Sciences of Language (HISPhonCog 2026)*, Seoul, South Korea.

Chui, Y., Lai, S., & Qin, Z. (2024). Pitch memory, but not pitch aptitude, predicts implicit statistical learning of non-native tone contrasts by older adults. *Society for the Neurobiology of Language 16th Annual Meeting (SNL 2024)*, Brisbane, Australia.

Chui, Y., Lai, S., & Qin, Z. (2024). Distributional learning of non-native tone contrasts by older adults after training and overnight consolidation. *The 186th Meeting of the Acoustical Society of America*, Ottawa, Canada.

Chui, Y., & Qin, Z. (2023). Individual differences in the distributional learning and overnight consolidation of lexical tones. *Architectures and Mechanisms for Language Processing Asia (AMLaP Asia)*, Hong Kong.

TEACHING EXPERIENCE

2022 – Present **The Hong Kong University of Science and Technology** – School of Humanities
Graduate Teaching Assistant

- **HUMA 3050**: Psychology of Language (Fall 2026–2027; Spring 2021–2022)
- **HUMA 2031**: The Cantonese Language (Fall 2023–2024)
- **HUMA 1010**: Introduction to Language (Spring 2022–2023)

2018 – 2019 **Xiamen University** – School of Mathematical Sciences
Teaching Assistant for Undergraduate Courses

- **Calculus I** (Fall Semester 2018–2019)
- **Mathematical Analysis II** (Spring Semester 2017–2018)

PROFESSIONAL SERVICE & EDITORIAL WORK

2026 – 2028 **NextGen Reviewer Mentorship Program** – *Bilingualism: Language and Cognition* (BLC)

Peer Review

- *Bilingualism: Language and Cognition* (1 review in progress)
- *The Journal of the Acoustical Society of America* (JASA) (1 review completed)
- *JASA Express Letters* (1 review completed)
- *Applied Cognitive Psychology* (Co-reviewer / supported PhD supervisor; 1 review completed)

Volunteer

Beijing-Hong Kong Academic Exchange Center (04/2019)
Exam invigilator for the annual university entrance examination to Mainland Universities for students from Hong Kong, Taiwan, and Macao (港澳台學生)

PROFESSIONAL MEMBERSHIPS

Society for the Neurobiology of Language (SNL)
(2024–2025)
The Acoustical Society of America (ASA) (2024–2025)
International Phonetics Association (IPA) (2023–2024)

LANGUAGES & PROFICIENCIES

Cantonese Chinese: Native speaker
Mandarin Chinese: Putonghua Proficiency Test (PSC)
Grade **2-A** (Score: 89.5/100, 2023)
English: TOEFL iBT **114/120** (2020), **115/120** (2013)
Japanese: JLPT **N2** (Score: 132/180; 91.8th percentile, 2012–2015)
